Summary

Derrickman with 4+ years on drilling rigs at Egyptian Drilling Company (EDC) and National Drilling Company (NDC), progressing from Roustabout to Floorman to Derrickman. Hands-on in tripping and pipe handling, the mud system and pit monitoring, rig-floor equipment, and drilling equipment inspection and maintenance. Committed to safe operations. Seeking an **Assistant Driller** position; enrolling in IADC WellSharp (Driller level).

Experience

Egyptian Drilling Company (EDC) **Apr 2025 – Present**
Derrickman *Egypt*

- Work at the monkeyboard racking and latching stands during trips, in coordination with the driller
- Run the mud system: pits, mud pumps, mixing chemicals and checking mud weight; report pit-level changes to the driller
- Inspect and maintain derrick, hoisting and circulating equipment
- Support the driller and rig crew; follow rig-floor safety procedures and the STOP Card system

Egyptian Drilling Company (EDC) **Apr 2024 – Apr 2025**
Floorman *Egypt*

- Operated tongs, slips and elevators during connections and trips
- Rigged up and rigged down drilling equipment
- Prepared drilling fluids and monitored the mud system
- Supported inspection and maintenance of drilling equipment
- Helped train new floor hands

Egyptian Drilling Company (EDC) **Jan 2024 – Apr 2024**
Roustabout *Egypt*

- Installed and repaired pipe equipment; maintained drilling tools
- Cleaned drill sites; transported and stored materials

National Drilling Company (NDC) **Jun 2021 – Dec 2022**
Roustabout *Egypt*

- Performed general rig-site support, equipment transport and rig maintenance
- Assisted with rig-up and rig-down; took part in safety drills

Training & Certifications

- **IADC WellSharp Well Control, Driller level** – enrolling
- Advanced Fire Fighting – Gulf Technical & Safety Training Centre (GTSC)
- Rigging, Lifting & Working at Heights – EDC
- H2S Gas Tester & Confined Space – EDC
- Banksman – EDC
- Manual Handling, First Aid & Electrical Safety – EDC
- Safety Management System (SMS), Employee Level – EDC
- STOP Card System – EDC

Skills

Drilling operations: tripping, pipe handling, connections, rig-up and rig-down
Mud system: pit monitoring, mixing drilling fluids, mud pumps
Equipment: tongs, slips, elevators; inspection and maintenance
Safety: H2S, confined space, working at heights, banksman signals, fire fighting, first aid, STOP Card
Languages: Arabic (native), English (basic, improving)

Education

Bachelor of Physical Education **Graduated 2021**
South Valley University, Egypt *General Grade: Good*
